

## ETS elections for Board renewal: call for candidatures

After 4 years (2016-2020) the **ETS Board** is now required to renew, with elections, a new board. The tenure lasts four years and the existing members can be re-elected however several are now stepping down leaving some positions vacant.

ETS would have completed nominations and elections during the General Assembly of the conference in Amsterdam, cancelled due to Covid-19. Therefore, the elections will be held online, using a certified system for voting.

The ETS board consists of 9 members elected among eligible **ETS members**, including the President.

Therefore, we invite interested applicants to submit by 30/07/2020 their candidature for one position on the ETS board by email to: [etsoffice@turfgrasssociety.eu](mailto:etsoffice@turfgrasssociety.eu)

Elections will be held then in the first week of September 2020.

The internal ETS Regulation has dedicated 1 position of the board to an US Academic, to assure a connection with American research. Thus there will be 1 place available for the US candidate and 8 for the European.

To be a candidate, **you must be a member of ETS** and you are required to attend Field Days and Conferences. Board members serve on a voluntary basis and no remuneration is made for any expenses incurred.
